

DUAL ENROLLMENT

The parent, guardian, legal or actual custodian of a student receiving competent private instruction may dual enroll the student in the school district for specific programs. Parents, guardians, legal or actual custodians requesting dual enrollment for their student should notify the Board Secretary prior to the third Friday of September each year on forms provided by the school district. The forms are available at the Superintendent of School's office.

A dual enrollment student is eligible to participate in the school district's extracurricular and academic activities in the same manner as other students enrolled in the school district. The policies and administrative rules of the school district shall apply to the dual enrollment students in the same manner as the other students enrolled in the school district. These policies and administrative rules shall include, but not be limited to, athletic eligibility requirements, the good conduct rule, academic eligibility requirements, and payment of the fees required for participation.

A dual enrollment student or the student's parent, guardian, legal or actual custodian will not be responsible for the cost of the student's annual evaluation.

It is the responsibility of the dual enrollment student to inform the school district of the extracurricular and academic activities in which the student wishes to participate.
